## FORD MOTOR CO. DECLARES DIVIDEND OF \$48,000,000; CAPITAL NOW \$100,000,000

Big Melon Cut for the Stockholders Will Be Distributed on July 1.

JUMP FROM \$2,000,000

Holdings of Henry Ford, President of Concern, Increased by \$27,840,000.

DETROIT, Mich., June 4.—The Ford Motor Company announced to-day that it had increased its authorized capital stock from \$2,000,000 to \$100,000,000 and had declared a stock dividend of \$48,000,000, payable July 1.

A cash dividend was declared on the original authorized stock of \$2,000,000, but the amount was not made public. The stock dividend increased the holdings of Henry Ford, President of the company, by \$27,840,000. James Couzens, Vice President, receives \$5,000,000.

The stock increase brings the issued capital stock of the concern to a valuation of \$50,000,000. The remaining \$50,000,000, it was announced, will remain in the company's treasury "to be used as conditions demand in the future."

Eight men only will share in the huge melon cutting. They are: Henry Ford, who will receive \$27,840,000; James Couzens, \$5,000,000; David Gray, \$4,500,000; John F. Dodge, \$2,400,000; Horace E. Dodge, \$2,400,000; Horace Rackham, \$2,400,000; John W. Anderson, \$2,400,000, and R. V. Couzens, \$760,000.

Three hundred thousand purchasers of Ford cars will receive a share of the company's profits on Aug. 3, when \$15,000,000 in the form of rebates to this year's Ford purchasers will be distributed.

## BECKER IS HOPEFUL, BUT SAYS HE'S "BROKE"

Will Make No Disclosures, as to Do So Would Be Admission of Guilt.

NEWBURGH, N. Y., June 4.—Rev. James Macdonald, formerly assistant rector of Patrick's Church here, and at present in this city convalescing from severe illness, visited Charles Becker in the death-house in Sing Sing yesterday and after several hours' conversation with him made the following statement:

"Most of the stories which are being printed of Becker are entirely without foundation. He is broken neither physically nor mentally. He has not lost his faith in God or in man and, while disappointed over the decision of the Court of Appeals, still believes that his life will be saved. He proclaims his innocence and regards it as impossible that he should be innocent and sacrificed. He says that he has no idea of making any disclosures, as to make those even to save his life, would be an admission of guilt which he will never make. Becker says he is without funds to fight on, but is still hopeful."

## DEMANDED \$20,000 ON THREAT TO SINK CUNARD STEAMERS

"German Spy" Arrested at Post Office After Decoy Note Was Sent.

FREDERICK A. STILLWAGGON of No. 7 Shell Road, Winfield, L. I., formerly the proprietor of a fish market in Greenport, was arrested this afternoon in the General Post Office in Park Row just as he had dropped into the box a letter addressed to the Cunard line. He admitted to Capt. Tunney at Police Headquarters that he had written a number of letters to the Cunard people since April 24 containing threats to blow up ships unless he was paid \$20,000.

In the first letter Stillwaggon claimed to be a German spy and said that for \$20,000 he would give complete information about the German spy system in this country and the operations of spies in this city, Bethlehem, Pa., and Boston. He directed that \$20,000 be sent to North Henry Street and Driggs Avenue, Brooklyn, by a boy on roller skates. The Cunard line officers reported the receipt of the letter to the police and Capt. Tunney investigated. A dummy package was sent to Brooklyn as directed, but Stillwaggon failed to show up. Then he wrote that he knew the detectives were watching and said he would blow up a ship unless paid.

When the Lusitania was torpedoed Stillwaggon wrote claiming that the ship was destroyed by one of his bombs. Several other letters followed. All were mailed at the general post office in Manhattan or Brooklyn.

A constant guard of detectives was maintained at both postoffices. Detectives Schmulsky and Fennelly were on watch to-day when Stillwaggon mailed his last letter and they nabbed him as he was hurrying away. In a statement to Captain Tunney he said that he had no connection with the German spy system but had simply executed a plan by which he hoped to get hold of some easy money.

## KAUFFMAN GUILTY OF THREATS TO KOPP GIRLS

Paterson Silk Manufacturer Sent Young Women Letters After Collision.

NEWARK, N. J., June 4.—Harry Kauffman, the Paterson silk manufacturer, who has been on trial in the United States District Court here, on a charge of sending threatening letters to Miss Norma Kopp of Midland Park, a suburb of Paterson, and her two sisters, was found guilty to-day. Kauffman stoutly denied the charges. The letters threatened bodily harm to the Kopp girls. Most of them were signed "H. K. Kopp." Miss Norma Kopp identified a dozen of the letters exhibited in court. Her sisters, Constance and Florence, strengthened her testimony. One of the letters received threatened to kidnap Florence, who is only sixteen years of age, and sell her to "white slaves."

## STEEL LEADS RISE IN STOCK MARKET; TRADING IS HEAVY

Big Boom at Opening Followed by Slump in Some Securities.

STANDARDS ARE STEADY.

Steel Decision and "Easier" Situation Regarding Germany Have Effect.

The stock market boom, started yesterday by the improved outlook in our foreign relations, prospects of a settlement of the Mexican difficulties and something that suspiciously resembled advance information as to the decision in the Steel Trust suit, continued to-day from the sound of the gong at 10 o'clock. During the first hour of trading, in the course of which prices went up amazingly, sustained a natural reaction and then climbed again, \$93,757 shares of stock were sold. In five hours of trading yesterday 770,463 shares were sold, and it was a pretty busy day.

Liquidation and profit taking broke the market between noon and 1 o'clock and in some directions there was a pronounced rally toward the closing hours. Nearly all issues showed pronounced gains over last night's close, and some of the more active stocks climbed back to the high points touched at the opening. The Steel decision was the chief factor in the buoyant market, and, naturally, United States Steel was a prominent factor in the trading. Right at the opening 25,000 shares of common stock were snapped up at from 64 to 62. The stock closed last night at 59 1/2.

International Harvester opened at 112, an increase of 14 points over last night's close, later receding to 104. American Can opened up from 2 1/2 to 3 points and Corn Products showed a gain of 3 1/2 points. These three corporations, and Germany are now in much better shape than they were thirty-six hours ago. No anxiety is felt about the note President Wilson is preparing for transmission to Germany. The reply of Germany will, however, be a market factor but that is some time off.

## Racing Results and Entries

### ANDREW MILLER'S COLORS CARRIED TO FIRST VICTORY

Butwell's Clever Handling of Bac Enables Him to Win the Second Race.

BELMONT PARK, N. Y., June 4.—Despite the general complaint of small fields the crowd came right back to the track to-day, prepared to enthrone over whatever was offered them in a racing way. The stewards of the association, however, are to try something to prevent the wholesale scratching of the cards as has been the case for a week past. It was said that a rule would be passed to-day preventing the reduction of any fields below six starters. Scratchings below this number will be countenanced by the stewards only on the ground of disability.
